DIEGO VILLANUEVA FERREYRA

COMPUTER SYSTEMS ENGINEERING STUDENT WITH A SPECIALTY IN WEB DEVELOPMENT

SUMMARY

I am a 9th-semester computer systems engineering student passionate about the world of web development. My learning agility and my constant desire to learn have driven me to acquire strong technical skills for Web Development (Back and Front End). My focus on creativity and problem-solving has allowed me to contribute to various web projects, from personal initiatives to collaborations in multidisciplinary teams.
